CKUA was at the Edmonton Civic Airport when the Reynolds Bombshell—on its 'round the world flight—stopped for its last 2,000-gallon load of gas. We recorded interviews by all the crew members and while Jim McRae was talking to Captain William Odom, he disclosed that the plane's radio shortwave had gone out and they had homed into Edmonton on CKUA's signal for 1,200 miles. Captain Odom also said the signal was loud and clear. For a craft to home in for 1,200 miles on a 1,000 watt station is quite a feat and one that we are justly proud of.

Left to right—Walker Blake, Manager of CKUA; Jim M. Rae, Program Director; and Milton Reynolds, sponsor of the 'Round the World Flight. This picture was taken during the interview.

ALBERTA FARM AND HOME FORUM

Mondays, Wednesdays and Fridays, 8:15 to 8:30 p.m.

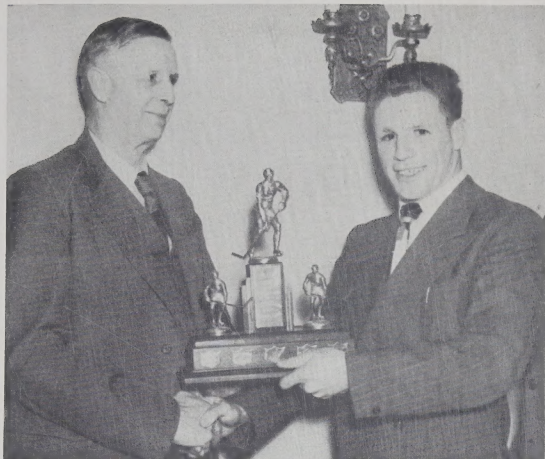

A word to the Homemaker about our "Nutrition Question Box." While the farmer is engaged in the efficient production of food, you are concerned with the efficient use of food. On that depends the welfare of your family.

Miss B. J. Lewis, Nutritionist for the Home Economics Service of the Alberta Department of Agriculture has the right idea. She says that when people write about their problems, their questions are often of such general interest that other homemakers should have an opportunity to benefit from the replies.

Our "Nutrition Question Box" is the answer. From time to time in the "notes" section of the Farm and Home Forum, questions on nutrition and meal preparation will be read, together with replies prepared by Miss Lewis.

Send in your questions to "The Nutrition Question Box", Home Economics Service, Alberta Department of Agriculture, Edmonton.

Mayor Harry Ainlay presenting the CKUA Trophy to Thomas at a banquet tendered the Flyers at the Macdonald Hotel in Edmonton on Thursday, March 20th. Mr. Ainlay said when making the presentation that Radio Station CKUA should be complimented for donating such a trophy.

In November of 1945, Manager Walker Blake, Program Director Jim McIlroy and Sports Commentator Don Warner of CKUA put their heads together to see what they could do to further create interest in the newly formed Western Canada Senior Amateur Hockey League, which at that time embraced teams from Calgary, Saskatoon, Regina and Edmonton. The outcome was a beautiful trophy which

CKUA would donate to the league. Permission was given by the President of the W.C.S.H.L., D. P. McDonald, to award the trophy to the player voted most valuable to his team. When the trophy had been made, engraved and was all ready to present, President McDonald informed CKUA that another trophy, the Gordon Efficiency Medal, was already in the field for the most valuable player, and had been for some

time. Through an oversight on the part of the committee in charge of the league, this had not been mentioned before.

However, the two trophies were allowed to be given last season, and both went to Bob Carse, then Captain of the Edmonton Flyers. Bob played this year for the Cleveland Barons of the American Hockey League.

This season, the trophy was awarded to the best Rookie of the year, Cy Thomas.

Seventeen hours a day — seven days a week, CKUA operates entirely in the public service. No other radio station in Canada can make that statement. We are not going to claim the majority of listeners because we feel that that is an impossibility with the exception of a few major network programs. All we attempt to do is offer programs that are

of interest to the widest variety audience. We set aside, too, certain hours of the program day for the minority listeners. These differ widely in their tastes. For instance — the classical music programs take up a total of 20 hours a week. A good deal of modern music, french, programs, educational talks and drama are presented for a minority. Middlebrow music of course, is the type that

appeals to the majority—therefore it takes up the greater portion of our time. CKUA pays particular attention to younger folks, and those who never grow old, with one hour and a half on Sunday, and fifteen minute shows throughout the week. We could go on and on but if you haven't listened regularly to CKUA—580 K.C. we invite you to do so. You'll find it—GOOD LISTENING.
